

12th December 2013

Dear Chair,

Letter of support for Debenham Community Swimming Pool

As chairperson of the Debenham Roundabout Pre-School, I am writing on behalf of the staff and committee members, in support of the Debenham Community Swimming Pool Project. We would greatly value the use of a swimming pool in such close proximity to the pre-school, enabling us to offer lessons & water-based activities in addition to our current curriculum. Distance to the nearest swimming pool (10 miles) means that time & travel costs prevent us from making this available currently

Our children are aged 2-5 years and physical development and healthy living are key parts of our curriculum. We aim to help each child to achieve understanding & control over their bodies through encouraging children to participate in a wide range of physical and healthy activities.

Although there is no legal obligation for 2-5 year olds to receive swimming lessons, the opportunity to offer this to the children at such a young age would give them valuable water confidence, which they can take forward through their school years.

Yours sincerely,

A handwritten signature in black ink that reads "C Ward".
