Debenham Community Swimming Pool : Sept 2018-To date

## **Background**

In March 2012 Debenham Community Swimming Pool project was established as a charitable company, with the aim of building a community swimming pool on the grounds of Sir Robert Hitcham Primary School, Debenham. The pool would be heated and enclosed with all year usage. The charitable company consists of five trustees/directors, a steering group and a fundraising committee.

**In April 2017** it was agreed that the project lay dormant in wake of new housing developments that could bring about new funding – nothing further has come of this.

**In Jan 2020** MSDC met to discuss possible partnerships – nothing further has come of this.

**In Jan 2021** the committee decided due to Covid 19 circumstances, the future of the project needed to take a different direction. The trustees felt it unfair to withhold funds that could be put to better use for the community of Debenham.

The trustees are looking to either:

- Find new trustees to take over
- Find a similar charity to pass funds over to.
